5:00 PM **Arrives in Las Vegas (Southwest 6288)**

9 – 10 AM	IPS Session: Taking Stock: A New Year for Drone Innovation <i>LVCC, North Hall, N253</i> It was a hectic past year for drones and public policy. With so many competing stakeholders with divergent viewpoints, is consensus on drones really possible? Come hear several perspectives on what is working and what needs to change in 2018.
10:15-11:15 AM	IPS Session: How States can be Innovation Leaders <i>LVCC, North Hall, N253</i> Governors will discuss deploying best practices on state job creation, economic growth and entrepreneurship. They will reflect upon CTA's Innovation Scorecard which tracks state policies and has shown that a streamlined regulatory framework, favorable tax policies and increased undergraduate STEM degrees attract investment and launch businesses.
11:30 AM-12:30 PM	IPS Session: Preparing America for Jobs of the Future <i>LVCC, North Hall, N253</i> An urgent labor shortage of qualified, high-skilled workers exists in the US today. Companies have high demand for employees fluent in STEM skills. Discover how we must educate our existing and future workforce to succeed in the ever-changing global and digital economy.
1-2 PM	IPS Session: Sharing Economy: Tech to the Rescue <i>LVCC, North Hall, N253</i> The sharing-economy has revolutionized life for people of all backgrounds. From providing transportation in underserved communities to sharing homes during hurricanes, companies are enhancing services for a diverse set of users and circumstances. Experts and policymakers discuss the future of these innovations.
2:15-3:15 PM	IPS Session: Sustainability Policies in the Tech Industry <i>LVCC, North Hall, N253</i>
